Mrs. Tucker proposed the following for sharing costs for state.

State Series Financial Agreement

Should a team qualify for the State Tournament Series (Regional, Sectional, State) both schools agree to equally share the costs of transportation, bus driver wage, hotel rooms for competitors (3 Competitors per room with 1 adult supervisor), coaches, and bus driver, and one evening meal for competitors, coaches, and bus driver with a maximum per spending amount of \$15 per person.

Mr. Hopper shared they would like the language for girls' basketball to include breakfast or lunch depending on time they leave for the event.

Mrs. Tucker will compile and share the wording at the next meeting so the changes can be approved by both boards at the regular July meeting.
